Discussion: Issues + Opportunities	8:30 – 9:15
Northend	
Southend	
Next Steps	9:15 – 9:30

Discussion questions:

What's most valued by people who work, live, shop or recreate in this area?

How has this area changed in the last 5 years -- better and worse?

What's not working?

What's missing?

Where should new growth (residential, commercial or industrial, etc.) happen?

What might be needed to better support future growth?
