

SW AVALON WAY & 35TH AVE SW PAVING & SAFETY PROJECT

PROJECT OVERVIEW

As soon as 2019, we'll pave SW Avalon Way and a segment of 35th Ave SW following the completion of the Fautleroy Way SW Boulevard Project.

We'll potentially update the street design with consideration for people biking, walking, driving, and taking transit.

LEARN MORE & TELL US WHAT YOU THINK

What's working on these streets and what's not? Attend the open house or visit our website. Take our online survey through **June 9**.

Take our survey online at:
