

BAILEY GATZERT ELEMENTARY PEDESTRIAN IMPROVEMENTS

Construction starting as soon as August 21

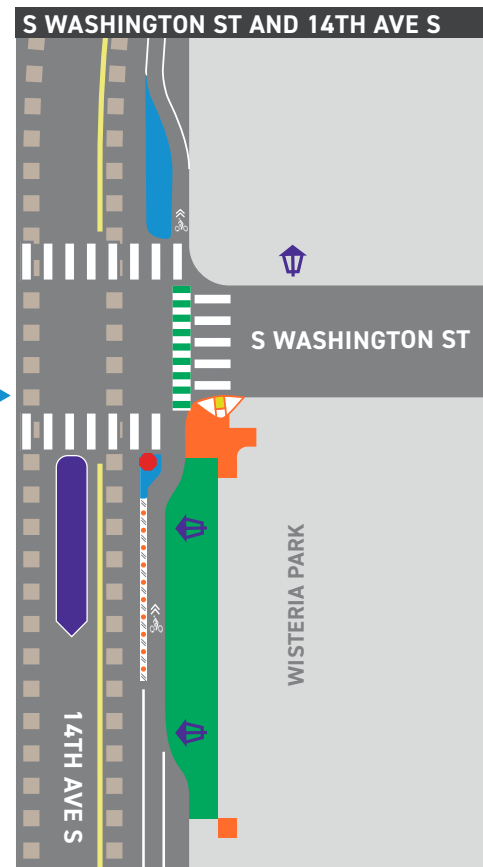

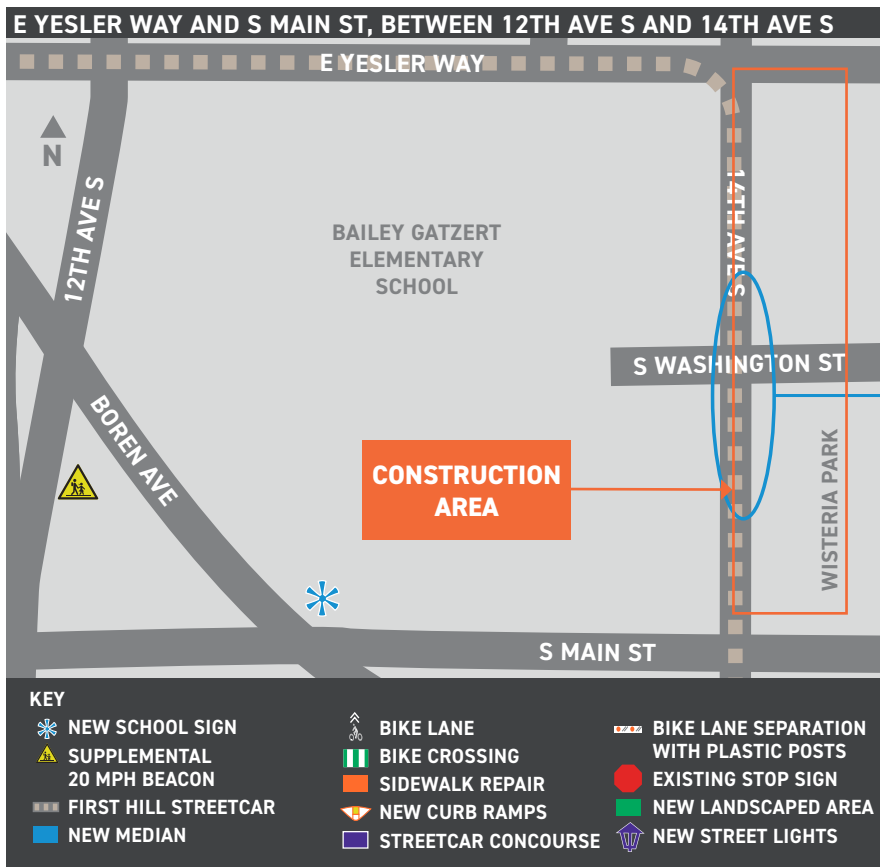

As soon as Tuesday, August 21*, we'll start construction of pedestrian improvements near Bailey Gatzert Elementary School. Work will require a full closure of S Washington St between 14th Ave S and 15th Ave S. This closure will be in place 24 hours a day, 7 days a week, for up to 4 weeks. You can expect sidewalk closures on the southeast corner of S Washington St and 14th Ave S, but local access and alternate pedestrian routes will be maintained. Crew flaggers will be present during construction. During this work, we'll install:

- A concrete curb bulb and ADA accessible curb ramps at the intersection of S Washington St and 14th Ave S
- New landscaping at the intersection of S Washington St and 14th Ave S
- A new school sign to better identify the Bailey Gatzert Elementary school zone at the intersection of Boren Ave and S Main St
- A beacon on the speed limit sign on 12th Ave S between Boren Ave and S Main St
- New street lighting along 14th Ave S

WHAT TO EXPECT DURING CONSTRUCTION

- Work will last approximately 4 weeks
- Temporary road, crosswalk, and sidewalk closures
- Parking and loading restrictions
- Detoured walking and biking routes
- Noise, dust, truck activity, and vibration

**Construction schedule is subject to change*

PROJECT BACKGROUND

We're improving visibility for people walking and biking around the intersection of S Washington St and 14th Ave S and promoting identification of the Bailey Gatzert Elementary school zone. In 2016, the Bailey Gatzert Elementary Pedestrian Improvements project was one of 12 selected by the Levy to Move Seattle Oversight Committee to be funded through our Neighborhood Street Fund (NSF) program. The NSF program funds projects requested by the community.
