

PARKING CHANGES COMING TO 42ND AVE S BETWEEN S MYRTLE ST AND S OTHELLO ST

May 14, 2019

Dear Stakeholder:

After data collection in October 2018 and conversations with neighborhood stakeholders, Seattle Department of Transportation has decided to make some changes to parking management along the west side of 42nd Avenue South between S Myrtle St and S Othello St.

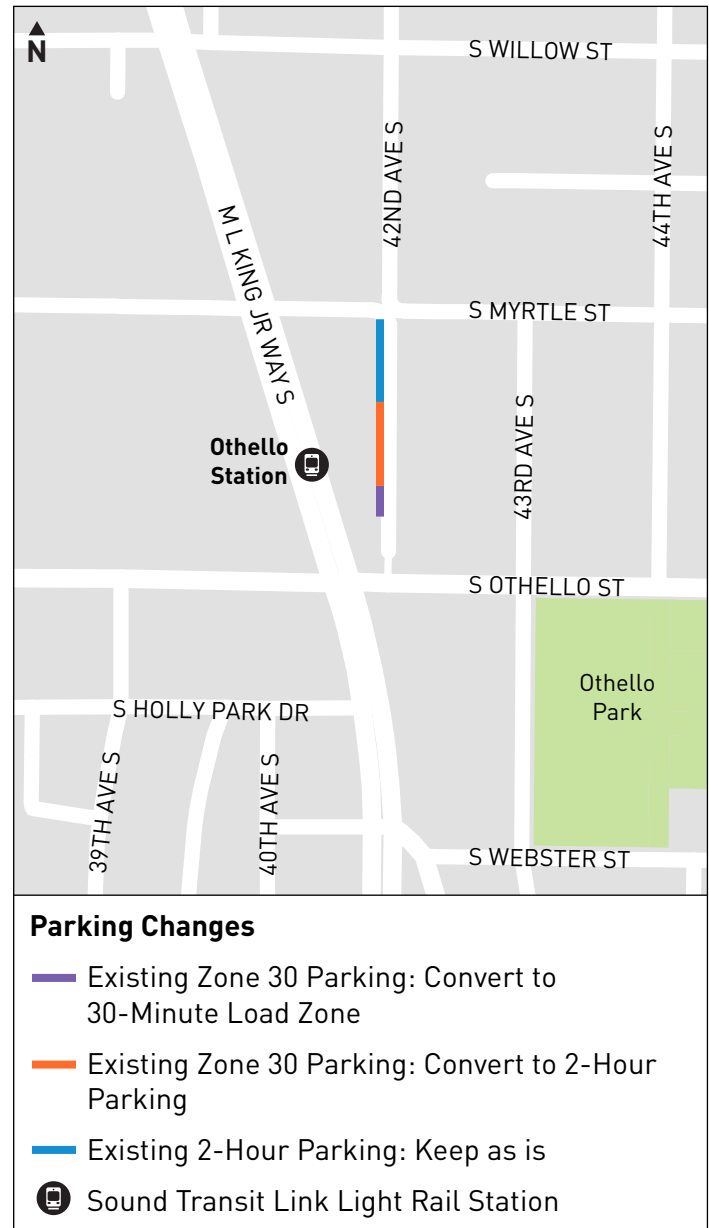

Currently, this blockface has 2-hour parking at the north end and Zone 30 parking on the south end. In our study, we found that the Zone 30 portion of the block was over 100% full throughout the day. This results from vehicles parked closer together than a measured space, as well as likely some vehicles parking illegally. We heard that this makes it difficult for customers to access parking for the nearby businesses and difficult for businesses to receive deliveries.

To address these challenges, we have decided to make the following changes:

- Convert approximately two spaces at the south end of the block (north of the cul-de-sac) to a 30-minute load/unload zone, 7 AM to 6 PM, Monday-Friday
- Convert the remaining Zone 30 parking to 2-hour parking, 7 AM to 6 PM, Monday-Friday

We anticipate these changes being implemented around late June 2019.
